WHERE THE RUBBER MEETS THE ROAD  
Week1 – “Finding Significance by Connecting With God”**

**Question 1:** Our purpose, as God's creation, is to be in connection with Him. On the DVD, Francis referred to the point in his life when he actually "got it" and understood what a relationship with Christ meant. Could a few of you share about the time in your life when you understood what it meant to be in relationship with Christ?

**Question 2:** Francis shared about how he struggled in his journey with Christ at different points in his life. Do any of you find yourself relating to his story and why?

**Question 3:** Pastor Jeremy asked Francis: *"How do you find significance and true purpose in life?"* Francis' response was interesting as he said it all starts with love. You must consider others more important than yourself. Do you agree with his answer and why?

Support Verse:

*Mark 12:28-31*

*The greatest commandment is to love the Lord your God. The second is to love your neighbor as yourself.*

**Question 4:** We just heard about finding our significance in being a child of God instead of in our job title, position, or what we do. Why is it sometimes difficult to do that?

**Question 5:** Francis shared that thinking about God's plan for your entire life can almost seem paralyzing. Instead, we were reminded to seek God and how His Holy Spirit would lead and guide us on a daily basis. Take some time to discuss this thought.

Support Verse:

*Romans 12:1 (Message)*

*So here's what I want you to do, God helping you: Take your everyday, ordinary life—your sleeping, eating, going-to-work, and walking-around life—and place it before God as an offering.*
