WHERE THE RUBBER MEETS THE ROAD
Week 6 – “Finding Significance Through Core Values”

Question 1: Maddie shared how there were times when she wanted to give up and stop pursuing her God-given dream because of all the opposition that stood in the way. Can anyone relate? Please take a moment and share.

Question 2: Maddie said she is willing to work very hard to get to where God wants her to be, even though she hasn't seen the end result yet. That is a great lesson that we can all learn from. Is there a dream, big or small, that God has put in your heart? What hard work do you need to put forth in order to move in that direction? Would someone be willing to share?

Support Verse

Galatians 6:9 (NLT)

So let's not get tired of doing what is good. At just the right time we will reap a harvest of blessing if we don't give up.

Question 3: Maddie said that the main reason she can live out who God has called her to be in an environment that is not Christ-friendly, is because she knows who she is in Christ. Take a moment and discuss this thought. How does knowing who you are in Christ empower and embolden you no matter what your circumstances are? Also, would anyone be willing to share about their journey in learning who they are in Christ? How has that happened?

Question 4: God will always bless an obedient life. Maddie shared how God has always provided for and has blessed her as she lives according to Biblical principles, or core values. How does leading an obedient life lead to blessings? Can anyone relate to this, or share a personal example?

Support Verse

Deuteronomy 28:1-2 (NLT)

If you fully obey the Lord your God and carefully keep all his commands that I am giving you today, the Lord your God will set you high above all the nations of the world. You will experience all these blessings if you obey the Lord your God.

Let's end in prayer and ask God to help us be people who are obedient to his ways and his leading, no matter what stage of life or circumstance we find ourselves in.
